T3 Week 7 2018

Tēnā koutou katoa. Nga mihi ki a koutou.

Tash Lowe

It is with much sadness to say that we have reluctantly accepted Tash Lowe's resignation. Tash and her partner Jack are heading overseas next year. Tash has been a hugely valuable teaching member at St Andrews for the last two years. This year she has worked extra hard developing the Envioschools programme. We wish Tash and Jack all the very best for their next adventures. The vacant teaching position is currently being advertised.

Room 5 Mountain Biking

Taye - "It was a really fun day, but really muddy. It was a fun learning experience."

Keane - "It was a really fun experience the part was going up and down the steep hills. I would love to do it again."

Pippa - "It was a really good experience, I loved the mud. Our instructor was nice and the steep hills were quite a challenge."

Frayah - "It was really fun and the best part was getting muddy with my group and being out of my comfort zone. Our leader was really good at making sure we were safe and I hope to do more mountain biking in the future."

Riley - "It was a really fun day and it was really muddy."

Enviroschools

Here is the Enviroschools Vision Map on the wall in the library! It was great to have the whole school involved in this project! The three headings on the Vision Map are 'Priority Projects' which are the project ideas that we want to complete first; 'Project Ideas' which are the rest of the awesome ideas the school came up with for our future Enviroschools projects; and 'Project Maintenance' which are the projects we already have up and running that need to be looked after. Please come and check it out in the library and read our awesome ideas for our future projects!

Science Expo

A Science Expo / showcase of what has been happening in classes is to take place on Monday 10th September 1.20 - 2.50pm. This is a good chance for parents/caregivers to be able to view some of the science that is taking place as part of the staff Professional Development this year.

Speech Competition

Congratulations to Jonty for getting runner up at the Rotatory Speech contest yesterday.

"The speech competition was really tough! Everyone had great speeches! It was really enjoyable and I was so stoked that I got runner up! The judges even said the scoring between first and second was really tough!! I am sure that I would do it again and I really liked listening to all the speeches and getting lots of ideas."

**CONGRATULATIONS
WELL DONE!**

Room 1 Rainforest Art, Room 2 Mudfish & Artarama Winners
